Puritan Mini but also "Mighty" Books

The mini set of 16 booklets by selected Puritan writers on various topics, giving light on the word of God, are still available at the back of Church for anyone who would like to borrow them.

Mini they maybe, but also mighty and our hope is that God will use them to bring you into a closer relationship with Him – to therefore be an encouragement and help to many in these changing times. Also, it is good to look back at our Christian heritage (especially in this 900th anniversary year) and consider the lives of those who have gone before us, for they are part of that great cloud of witnesses that would spur us onward in our faith (Hebrews 12:1-2). There is a free bookmark to go with them to help keep track of what you have read. May they help you discover the joy of reading God's living and powerful word!
