Magazines are ready for collection at the back of church.

The HOPE magazine is an excellent outreach product covering the gospel and psalms with good quality pictures.

There are copies inside and outside church that are thankfully taken. It perceptively invites people to consider the Good News and Come to Faith. CCP has covered most of Clitheroe and it is an ideal opportunity to get out door to door as our town expands and engage with our community. Note we are mainly posting but people do chat with you as you do the rounds. It is in the fresh air and you feel like you are doing something useful.

Please consider helping and contact Howard Riley (07881 617262 / hr929@talktalk.net) for further details.
